

# Photos of German Children Raped and Murdered by Red Army Liberators

World War II ended in exactly the same way it started – with Jews mass murdering and gang raping German women and children. In my recent post about Russian Gulags in which I explained how [Jewish Bolsheviks committed the greatest mass killing in the history of](#) mankind I quoted the Nobel Prize winning author Aleksandr Solzhenitsyn who himself suffered greatly in the Jewish run Gulags. Let me start the post about the atrocities of the Jewish Bolsheviks lead Red Army at the end of World War II with another quote by Aleksandr Solzhenitsyn:

You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They Hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse.

More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history.

It cannot be overstated. Bolshevism committed the greatest human slaughter of all time.

The fact that most of the world is ignorant and uncaring about this enormous crime is proof that the global media is in the hands of its perpetrators.

The Jewish-led Bolsheviks had been committing massive ethnically-motivated genocide against Russians, Ukrainians, Poles, Serbs, Czechs, Slovaks, Hungarians, Bulgarians, Romanians, Croats, Latvians, Lithuanians, Estonians, Austrians and Germans for over 20 years and had massacred tens of millions of innocent people long before World War II even began. And their victims were well aware of it. After World War II broke out, Germans were greeted by the people of Russia as liberators. For however a brief period of time, Germans had liberated the lands plagued by the Jewish Bolsheviks and saved their people from rape and mass executions, also reopening churches Jews shut or burned down.

Unfortunately, after decades of oppression, the fear struck Russians dared not oppose the Jews and as the threat of being sent back to the Gulags loomed over their heads, they marched against the Germans, for anyone who didn't was dealt with the very people who had turned lives of tens of millions to hell for far lesser "offenses". And as the Reds gained ground and pushed the Germans back, they once again, with Jewish Bolsheviks in the lead, raped everyone they'd come across.

Nobody wanted to fall into the hands of the "Red Army Liberators" for that always resulted in rape, and almost always in death. The atrocities of the Reds were so legendary, that when the SS commanders abandoned their posts in the labor camps to flee back to Germany, majority of the laborers who were held in the camp, including the Jews chose to flee with them, than be left in the mercy of the merciless Russian Bolsheviks.

It is also for that very reason, why so many captured Germans didn't even need to be tortured in order to "confess" to any utter bullshit their captors [wanted them to "confess" to at Nuremberg Trials](#). Most, as soon as the captors threatened them with being handed over to the Russians, instantly signed their lives away and self incriminated themselves to face certain execution, rather than face the possibility of being handed over to the Reds and with it, condemned to the life in a Gulag. The Nuremberg Trials were show trials, but occasional western observers were allowed, which is why we have [verifiable accounts of torture](#), but the Gulags were behind the iron curtain and there was no mercy for anyone there.

## How World War II Started

I will make a more detailed article on who and how the Second World War started later on, but for now I would just want make a quick few notes:

Judea declared war on Germany long before the 1939 invasion of Poland. Jewish puppets, such as the then Prime Minister of the United Kingdom Winston Churchill publically declared that they would force the war upon Germany no matter how hard she strives for peace. Adolf Hitler was pleading with Poland to give Germany a one mile access to East Prussia and offered generous chunks of land and commercial privileges in return. But in 1939, under pressure from international Jewry, Poland broke off all negotiations and started to massacre Germans. Edward Rydz-Śmigły – commander in chief of Poland's army said:

Poland wants war with Germany and Germany will not be able to avoid it even if she wants to.

Protected by the Polish army and merrily joined by Russian NDVK Jews, Polish Jews went around raping and murdering German civilians in the Danzig corridor by the tens of thousands, raping every woman and child, crucifying little ones by nailing them to barn doors. Germany had protested the mass killings of their people in writing to the League of Nations several times but nothing was done about it.

On one day alone, infamously known as the Bromberg Bloody Sunday, Polish Jews, under the protection of the Polish Army, attacked a small German town of Bromberg and viciously massacred 5,500 unarmed Volksdeutsche. Hitler could no longer stand idly by while his people were being slaughtered. The British, French and Americans got what they wanted. They got their war the goals of which were to decimate Germany and open Europe up to communism that has worked out so well for the Jews in Russia. With communism in place, Jews would be able to carry out the same Christian genocide they have in Russia but on a much larger scale.

Let's also not forget that one year after the massacre of Germans in the Danzig Corridor, the same Russian NKVD Jews and Polish Zionist Jews committed white genocide on the Poles. 15,000 Polish intellectuals, leaders, scholars, artists, etc. were [massacred by the psychopathic Jews in the Katyn Forrest](#). For 50 years after the massacre, in the same fashion [Jews still lie about the alleged Holocaust](#), the world was lied to by the Jews that it was the German Nazi that committed the Katyn Massacre. It wasn't until the fall of communism that so effectively protected the atrocities of the Jews that the world has been told the truth. But if at any time before 1991 you would have suggested that it wasn't the Germans who massacred all these Poles, you would have been lynched by the masses of Jewish sheeple the same way they still lynch everyone who points out the [lies about the Holohoax](#).

## Ilya Ehrenberg

Jew Ilya Grigoryevich Ehrenburg was the top Soviet propagandist during World War II. He is credited with propagation of the 6 Million myth which he promoted by displaying fake bars of soap at fundraising rallies in the United States.

Ilya Ehrenberg was the driving force behind the orgy of rape and murder against the civilian population of Europe that took place as the Reds rampaged into their lands. He was the prime motivator of atrocities which he achieved by distributing fliers among Soviet troops in which he appealed to the most primal, subhuman instinct of the [Khazarian horde](#). Below quotes are from the fliers produced by Ilya Ehrenberg:

The Germans are not human beings. From now on, the word 'German' is the most horrible curse. From now on, the word 'German' strikes us to the quick. We have nothing to discuss. We will not get excited. We will kill. If you have not killed at least one German a day, you have wasted that day.

If you cannot kill a German with a bullet, then kill him with your bayonet. If your part of the front is quiet and there is no fighting, then kill a German in the meantime.

If you have already killed a German, then kill another one - there is nothing more amusing to us than a heap of German corpses. Don't count the days, don't count the kilometers. Count only one thing: the number of Germans you have killed. Kill the Germans! Kill the Germans! Kill!

The Germans must be killed. One must kill them. Do you feel sick? Do you feel a nightmare in your breast? Kill a German! If you are a righteous and conscientious man - kill a German! Kill!

If you would like to learn more about [Jewish psychopath](#) Ilya Ehrenberg and how he went about inspiring the Soviets to commit atrocities on civilians, I would recommend a book by Joachim Hoffmann titled Stalin's War of Extermination. Ilya Ehrenberg was also the first person to mention the [6 Million alleged Jewish victims of the alleged Holocaust](#). Along with his fellow propagandist Vasily Grossman (Iosif Solomonovich), the two produced a fictitious "Black Book" that laid the foundation for The Holocaust. This work of fiction is perfectly broken down by Prof. Arthur Butz in his book which I would also recommend to anyone willing to learn more about the Holohoax. The book is titled The Hoax of the Twentieth Century.

## Atrocities of Red Army Liberators in Photos

Below is a gallery of historical WWII photos of people, mostly children, often raped and brutally beaten, but always murdered by the "Red Army Liberators". This is the type of liberty they delivered when they swept through the lands of Eastern half of Europe. We've been inundated with fabricated claims of the alleged Jewish victims of the holocaust, while there are great masses of tens of millions of children murdered by the Jewish Bolsheviks. These children remain unknown, unremembered and unmourned.

Take a look at the faces of children in the photos below. We don't know their names. Nobody knows their names because the Hollywood and media are silent to their suffering. Yet the same Hollywood and media

won't miss a day without brainwashing us with the fake story of Anne Frank.

You may also remember how Jews sponsored Muslim extremists [desecrated Christian cemetery](#) while destroying Libya on Jewish behalf. In this gallery I've also included photos of Jewish Bolsheviks desecrating Christian cemeteries during WWII. Makes you wonder where the jihadists got their inspiration from:
